You may not use the App to compete with Redi.health or in any way that violates the Acceptable Use Policy below.

By using or otherwise accessing the App, you represent and warrant that: (i) you are not located in a country that is subject to a U.S. Government embargo, or that has been designated by the U.S. Government as a “terrorist supporting” country; and (ii) you are not listed on any U.S. Government list of prohibited or restricted parties.

You are responsible for making all arrangements necessary for you to have access to the App and ensuring that all persons who access the App through your internet connection are aware of these Terms and comply with them.

You hereby represent that you have the legal capacity and authority to enter into these Terms and to form a binding agreement under any applicable law, to use the App in accordance with these Terms, and to fully perform your obligations hereunder.

a. Minors

The App is intended for users over the age of eighteen (18) and we do not knowingly collection personal information from children under the age of eighteen (18). This means that you cannot use the App if you are under the age of eighteen, nor that you will provide us with data relating to anyone under the age of eighteen.

In case we have any belief that the App or Service is used on behalf of someone under the age of eighteen, we reserve the right to request proof of age.

In the event that it comes to our knowledge that a person under the age of eighteen (18) is using the App, we will prohibit and block such user from accessing the App and will make all efforts to promptly delete any Personal Data (as such term is defined in our Privacy Policy) with regard to such user.

b. True and Accurate Information

You agree to only provide us with true and accurate information when using the services. You understand that providing false or inaccurate information may result in either banning or disabling your account or providing you with suboptimal services.

To access certain resources on the App Redi.health offers, you may be asked to provide certain registration details or other information. It is a condition of your use of the App that all the information you provide is correct, current, and complete. c. Registration

In order to use the Services and the App, you must download the App from the necessary mobile application marketplace or a source that is authorized by Redi.health.

You will be asked to create a user account (the "Account") by completing the registration form available on the App. In order to create an Account, you acknowledge and agree that you will be required to provide the Company with certain information as described in our Privacy Policy. It is a condition of your continued use of the App that all the information you provide is correct, current, and complete. remember; “Password321” is both easy to guess and to remember and “letmebemyslf” is both easy to remember and hard to guess.

The safety and security of your information also depends on you. We ask you not to share your password with anyone. You are solely and fully responsible for maintaining the confidentiality of the account and for all activities that occur under your account.

If you believe that your Account was compromised or that it was used by someone else, you must notify us promptly. We are not liable for any loss or damage arising from a third party’s access to your Account if you did not secure it properly.

You understand and agree that your agreement to do so is a material part of these Terms. You further agree that, if you discontinue the use of your mobile telephone number without notifying Us of such change, you agree that you will be responsible for all costs (including attorneys’ fees) and liabilities incurred by Us, or any party that assists in the delivery of the mobile messages, as a result of claims brought by the individual(s) who is later assigned that mobile telephone number. This duty and agreement shall survive any cancellation or termination of your agreement to participate in any of our Programs.

YOU AGREE THAT YOU SHALL INDEMNIFY, DEFEND, AND HOLD US, OUR AGENTS, AND ANY THIRD-PARTY SERVICE PROVIDER WE USE TO SEND TEXT MESSAGES HARMLESS FROM ANY CLAIM OR LIABILITY RESULTING FROM YOUR FAILURE TO NOTIFY US OF A CHANGE IN THE INFORMATION YOU HAVE PROVIDED, INCLUDING, BUT NOT LIMITED TO, ANY CLAIM OR LIABILITY UNDER THE TELEPHONE CONSUMER PROTECTION ACT, 47 U.S.C. § 227, et seq., OR SIMILAR STATE AND FEDERAL LAWS, AND ANY REGULATIONS PROMULGATED THEREUNDER

Message and data rates may apply. Opting in to receive Mobile Messages from us involves recurring mobile messages, and additional mobile messages may be sent periodically based on your interaction with us.

For support regarding Mobile Messages, text “HELP” or email us at support@redi.health. Please note that the use of this email address is not an acceptable method of opting out. Opt outs must be submitted in accordance with the User Opt Out procedures set forth above.

13. CAN-SPAM Act

The CAN-SPAM sets the rules for commercial email, establishes requirements for commercial messages, and gives recipients the right to have emails stopped from being sent to them.

If, at any time, you would like to unsubscribe from receiving future emails, you can email us at contact@Redi.health and we will promptly remove you from commercial email communications though we cannot unsubscribe you from, nor does this apply to, transactional communications.

14. Internet Connection and Associated Charges and Compatibility

The Service requires an Internet connection. Any Internet connection required to use the Service, including via the App, and any associated charges, incurred by your use of the Service are your exclusive and sole responsibility and made solely at your expense. Transmitting and receiving real-time updates to and from the App requires an online (e.g., WiFe, 3G, 4G, or 5G) connection between you and your cellular device and the Internet. The expenses of such connection are as prescribed by the agreement between you and your communication service provider (such as your cellular company), and according to its applicable terms of payment. Continued use of location services running in the background can dramatically decrease battery life.

We not warrant the Service will be compatible or interoperable with your mobile device or any other piece of hardware, software, equipment or device installed on or used in connection with your mobile device. You further acknowledge that compatibility and interoperability problems can cause the performance of your mobile device to diminish or fail completely, and may result in permanent damage to your mobile device, loss of data located on your mobile device, and/or corruption of the software and files located on your mobile device. You acknowledge and agree

that we have no liability to you for any losses suffered resulting from or arising in connection with compatibility or interoperability problems.

YOU UNDERTAKE NOT TO ENGAGE IN ANY CLASS-ACTION AGAINST US AND SOLELY TO CLAIM YOUR LOSSES PERSONALLY.

For the avoidance of doubt, it is hereby clarified that the term "our representatives" shall not include the Medical Providers and Partners.

We note that these Terms govern solely the use of the App. All disclaimers and warranties regarding any our services, including without limitation, our website, shall be governed by the terms and conditions reflected in a separate services agreement between us and each user.

We are not responsible for any consequences to you or others that may result from technical problems (including without limitation in connection with the internet such as slow connections, traffic congestion, overload of servers, delays or interruptions) or any telecommunications or internet providers.

16. Indemnification

You agree to defend, indemnify and hold us, including affiliates, employees, agents, contractors, officers, directors, vendors, representatives, third-party service provider, and content providers, harmless from and against any and all claims, damages, obligations, losses, liabilities, costs, debts, and expenses (including but not limited to attorney fees) arising from: (i) your use, misuse of, inability to use and/or activities in connection with the App and/or Content; (ii) your violation of any of these Terms; (iii) your violation of any third party rights, including without limitation any intellectual property rights or privacy rights of such third party, in connection with your use of the App or the Services; and (iv) any damage of any sort, whether direct, indirect, special or consequential, you may cause to any third party with relation to the App. It is hereby clarified that this defense and indemnification obligation will survive these Terms.

If you object to any term hereof, as may be amended from time to time, or become dissatisfied with our App, you may terminate these Terms at any time by stopping your use thereof and deactivating your Account and this will be your sole remedy in such circumstances.

Additionally, we may at any time, at our sole discretion, cease the operation of the App or any part thereof, temporarily or permanently, delete any information or Content from the App or correct, modify, amend, enhance, improve and make any other changes thereto or discontinue displaying or providing any information, Content or features therein without giving any prior notice.

You agree and acknowledge that we do not assume any responsibility with respect to, or in connection with the termination of the App's operation and loss of any data.

The provisions of these Terms that, by their nature and content, must survive the termination of these Terms in order to achieve the fundamental purposes of these Terms shall so survive. Without limiting the generality of the foregoing, the Intellectual Property, Disclaimer and No Warranties, Limitation of Liability, Indemnification and General sections will survive the termination of the Terms.

18. General

These Terms constitute the entire terms and conditions between you and us relating to the subject matter herein and supersedes any and all prior or contemporaneous written or oral agreements or understandings between you and Redi.health.

Any claim relating to the App or the use thereof will be governed by and interpreted in accordance with the laws of the State of Ohio without reference to principles and laws relating to the conflict of laws.

Any dispute arising out of or related to the App will be brought in, and you hereby consent to exclusive jurisdiction and venue in, the competent courts of the State of Ohio, USA.

You agree to waive all defenses of lack of personal jurisdiction and forum non-convenience and agree that process may be served in a manner authorized by applicable law or court rule. Notwithstanding the foregoing, we may seek injunctive relief in any court of competent jurisdiction.

Any failure on our part to exercise or enforce any right or provision of these Terms will not constitute waiver of such right or provision. Any waiver of any provision of these Terms will be effective only if in a writing signed by us.

These Terms do not, and shall not be construed to create any relationship, partnership, joint venture, employer-employee, agency, or franchisor-franchisee relationship between the parties hereto.

Any heading, caption or section title contained herein is inserted only as a matter of convenience, and in no way defines or explains any section or provision hereof.

If any provision hereof is adjudged by any court of competent jurisdiction to be unenforceable, that provision shall be limited or eliminated to the minimum extent necessary so that these Terms shall otherwise remain in full force and effect while most nearly adhering to the intent expressed herein.

You may not assign or transfer these Terms (including all rights and obligations hereunder) without our prior written consent and any attempt to do so in violation of the foregoing shall be void. We may assign or transfer these Terms without restriction or notification.

No amendment hereof will be binding unless in writing and signed by Redi.health, and (j) the parties agree that all correspondence relating to these Terms shall be written in the English language.

19. Complaints and Arbitration Agreement

If you feel or believe that your Personal Data rights were harmed in any way or form, you may contact our data protection officer at privacy@Redi.health and lodge a complaint. Such complaint shall include how and why you believe rights in accessing or otherwise using our App or engaging with us in any way were harmed, and the required evidence. We will respond to most complaints within 14 days, and shall offer the required remedies.

In the event we are unable to come to a timely mutual resolution of the matter, we remain committed to resolving all disputes in a fair, effective and cost-efficient manner, these Terms of Use requires that disputes may be resolved in binding arbitration or small claims court. Our arbitration agreement for U.S. disputes, which is set forth below, has been designed to make arbitration as convenient and inexpensive for our customers as possible. We will abide by the terms of our current arbitration provision in all instances. These Terms of Use are governed by Ohio law regardless of where users access or use the App.

Arbitration Agreement: United States Only

(a) We and you agree to arbitrate all disputes and claims between us before a single arbitrator. The types of disputes and claims we agree to arbitrate are intended to be broadly interpreted and include:

- Claims arising out of or relating to any aspect of the relationship between us, whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory.
- Claims that arose before these or any prior versions of our Privacy Policy and/or Terms of Use (including, but not limited to, claims relating to advertising);
- Claims that are currently the subject of purported class action litigation in which you are not a member of a certified class; and
- Claims that may arise after termination of this Privacy Policy and/or our Terms of Use

For the purposes of this Arbitration Agreement, references to "we" and "us" include our respective subsidiaries, affiliates, agents, employees, predecessors in interest, successors and assigns, as well as all authorized or unauthorized users or beneficiaries of our Services or devices under these Terms of Use, our Privacy Policy or any prior agreements between us.

Notwithstanding the foregoing, either party may bring an individual action in small claims court. This Arbitration Agreement does not preclude your bringing issues to the attention of federal, state or local agencies. Such agencies can, if the law allows, seek relief against us on your behalf. You agree that, by accessing and using the App, you and we are each waiving the right to a trial by jury or to participate in a class action. These Terms of Use evidence a transaction or website use in interstate commerce, and thus the Federal Arbitration Act governs the interpretation and enforcement of this provision. This arbitration provision will survive termination of these Terms of Use.

(b) A party who intends to seek arbitration must first send, by U.S. certified mail, a written Notice of Dispute ("Notice") to the other party. A Notice to us should be addressed to: Notice of Dispute, RediHealth, 349 Siebert Street, Columbus, Ohio 43206 ("Notice Address"). The Notice must (a) describe the nature and basis of the claim or dispute and (b) set forth the specific relief sought ("Demand"). If you and we do not reach an agreement to resolve the claim within 30 days after the Notice is received by us, you or we may commence an arbitration proceeding.

During the arbitration, the amount of any settlement offer made by us or you prior to selection of an arbitrator shall not be disclosed to the arbitrator until after the arbitrator determines the amount, if any, to which you or we are entitled.

You may download or copy a form to initiate arbitration from the AAA website (<http://adr.org>) under the "Forms" tab.

(c) After we receive a Notice at the Notice Address that you have commenced arbitration, we will promptly reimburse you for your payment of the filing fee, unless your claim is for more than \$75,000. (Currently, the filing fee is \$125 for claims under \$10,000, but this is subject to change by the arbitration provider. If you are unable to pay this fee, we will pay it directly after receiving a written request to do so at the Notice Address.) The arbitration will be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, the "AAA Rules") of the American Arbitration Association (the "AAA"), as modified by these Terms of Use, and will be administered by the AAA. The AAA Rules are available online at www.adr.org or by calling the AAA at 1-800-778-7879. The arbitrator shall be bound by these Terms of Use. Unless you and we agree otherwise, any arbitration hearings will take place in the county (or parish) of your contact address. If your claim is for \$10,000 or less, you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, by a telephonic hearing or by an in-person hearing as established by the AAA Rules. If you choose to proceed either in person or by telephone, we may choose to respond only by telephone or submission. If your claim exceeds \$10,000, the AAA Rules will determine whether you have a right to a hearing.

Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings of fact and conclusions of law on which the award is based. You and we agree that any awards or findings of fact or conclusions of law made in an arbitration of their dispute or claim are made only for the purposes of that arbitration and may not be used by any other person or entity in any later

arbitration of any dispute or claim involving us. You and we agree that in any arbitration of a dispute or claim, neither of us will rely for preclusive effect on any award or finding of fact or conclusion of law made in any other arbitration of any dispute or claim to which we were a party.

Except as otherwise provided for herein, we will pay all AAA filing, administration, and arbitrator fees for any arbitration initiated in accordance with the notice requirements above. If, however, the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rules of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. In such case, you agree to reimburse us for all monies previously disbursed by us that are otherwise your obligation to pay under the AAA Rules. In addition, if you initiate an arbitration in which you seek more than \$75,000 in damages, the payment of these fees will be governed by the AAA rules. An award may be entered against a party who fails to appear at a duly noticed hearing.

(d) The arbitrator may award injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. YOU AND WE AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN AN INDIVIDUAL CAPACITY AND NOT AS PLAINTIFFS OR CLASS MEMBERS IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING OR IN THE CAPACITY OF A PRIVATE ATTORNEY GENERAL. The arbitrator shall not have the power to commit errors of law or legal reasoning, and the parties agree that any injunctive award may be vacated or corrected on appeal by either party to a court of competent jurisdiction for any such error. Each party will bear its own costs and fees on any such appeal. Further, unless both you and we agree otherwise, the arbitrator may not consolidate more than one person's claims or otherwise preside over any form of a representative or class proceeding. If this specific provision is found to be unenforceable, then the entirety of this arbitration provision shall be null and void.

(f) All aspects of the arbitration proceeding, and any ruling, decision or award by the arbitrator, will be strictly confidential, other than as part of an appeal to a court of competent jurisdiction.
